SmartPlus User App Login

Before Start

- Provide username and email address for installers to create a SmartPlus App account. If users want to log in via SMS, they also need to provide their mobile phone numbers.
- Open the login email sent by Akuvox. Please check the spam folder if the email cannot be found in the inbox.
- Download the latest SmartPlus App from Android Google Play or IOS App Store.

Steps

- 1. Open the App and select the role between Enduser and Property Manager.
- 2. There are three login options: QR code scanning, Login with username, and Login via SMS.
